

Virtual Virgina District Conference 2020

ANNOUNCEMENT

Due to unforeseen technical difficulties with the digital upload of the video programs to the internet hosting sites, there are delays in getting the conference videos of the worship and business sessions posted to the website.

However, they are in process even now and will be posted as soon as they become available.

So, please check back often as we are expecting the finalization at any time and soon.

Thank you for your understanding and patience!
